New Look for Old Plean Roofing

We were delighted to take delivery of our new employee workwear. Will hopefully keep the guys warm and cosy in this lovely summer weather! 🌂

Thanks to Scott Direct for their great service and products.

Tiled Roof Replacement

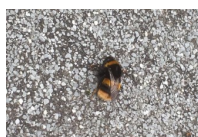

Despite the terrible weather Old Plean Roofing have been keeping busy stripping a tiled roof and preparing it for retiling. We will also be replacing the rainwater goods, soffits and fascia.

Glasgow Skyline

During a recent roof survey we captured a beautiful view of this Glasgow Crescent. Definitely a roof with a view!

And finally.....

Found this wee guy having a rest while we were carrying out a roof survey up in Doune.

He then buzzed off happily on his way, hopefully to make some honey. 🐝
