Approved Contractor

Employee of the month

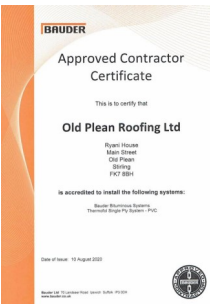

Completed project in Braco

We are delighted to share a few pictures of this recently completed project which included a complete retile and new rainwater goods, soffits and fascia.

Bauder Approved Contractor

We were thrilled to receive our Bauder Approved Contractor Certificate.

We are now accredited to install **Bauder Bituminous Systems** and **Thermofol Single Ply System-PVC**.

And finally.....

Employee of the month

Cooper has been with Old Plean Roofing from the start. He has proven to be a hard working and eager to please employee. His attention to detail is second to none this is apparent in his role as treat controller. He also takes his role as morale officer very seriously and will freely offer cuddles and guidance to those in need and everyone else, in fact anyone will do. Safe to say Old Plean Roofing would miss his pawitivity if he ever moved to another company.
